BERGEN COUNTY, NEW JERSEY**

ORDINANCE 18-14

AN ORDINANCE ESTABLISHING MANDATORY INCLUSION OF AFFORDABLE HOUSING THROUGH USE OF PERCENTAGE SET-ASIDES

WHEREAS, the Mayor and Council of the Borough of Englewood Cliffs desires to ensure that any property that benefits from a rezoning, variance or redevelopment plan approved by the Borough and/or the Planning Board that results in multi-family residential development of five (5) or more dwelling units shall require inclusion of and mandatory set-aside for affordable housing units.

NOW THEREFORE, BE IT ORDAINED, by the Mayor and Borough Council of the Borough of Englewood Cliffs, County of Bergen, State of New Jersey, as follows:

SECTION ONE. There is hereby established in the Code of the Borough of Englewood Cliffs a new Chapter designated as Chapter 30-19A, entitled “**Mandatory Inclusion of and Set-Aside for Affordable Housing**”, as follows:

30-19A. Mandatory Inclusion of and Set-Aside for Affordable Housing

30-19A.1 Set-Aside Percentages

If the Borough and/or the Planning Board permits the construction of multi-family or single-family attached residential development, the developer shall be required to set aside an appropriate percentage of the residential units for low and moderate income households. The appropriate percentages are as follows:

- a. For projects in which the low and moderate units are to be offered for sale, the set-aside percentage shall be no less than twenty percent (20%) percent.
- b. For projects in which the low and moderate income units are to be offered for rent, the set-aside percentage shall be no less than fifteen percent (15%) percent.
- c. As set forth in Chapter 30-18 of the Borough Code and as amended by State laws and regulations, all affordable housing units shall comply with the Uniform Housing Affordability Controls and all applicable affordable housing laws and regulations, including but not limited to, requirements regarding bedroom distribution and income distribution.

30-19A.2 Applicability and Non-Applicability.

- a. The provisions for a required percentage of units to be set aside for low and/or moderate income households shall not apply to developments containing four (4) or less dwelling units.
- b. The set aside percentage requirements shall apply to any multi-family or single-family attached residential development, including the residential portion of a mixed-use project, that consists of five (5) or more new residential units, whether permitted by zoning, a zoning amendment, a variance granted by the

Borough's Planning Board or Zoning Board, or adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation.

c. For any such development for which the Borough's land use ordinances (for example, a zoning ordinance or an adopted Redevelopment Plan) already permitted residential development as of the effective date of this Chapter, the set-aside percentage requirements shall apply if the Borough permits an increase in approvable and developable gross residential density.

d. Nothing in this paragraph precludes the Borough and/or its Planning Board or Zoning Board from imposing an affordable housing set-aside percentage in a development not required to have a set-aside, consistent with N.J.S.A. 52:27D-311(h) and other applicable law.

e. This requirement does not create any entitlement for a property owner or applicant for a zoning amendment, variance, or adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation, or for approval of any particular proposed project.

f. Where a project proposes demolition of existing dwelling units and construction of new dwelling units on the same site, or a project proposes to expand an existing building with residential units, the provisions of this section shall apply only if the net number of newly created dwelling units is five (5) or more.

g. All subdivision and site plan approvals of qualifying residential developments shall be conditioned upon compliance with the provisions of this section.

SECTION TWO. All ordinances of the Borough of Englewood Cliffs which are inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such inconsistency. The remainder of all other sections and subsections not specifically amended by this Ordinance shall remain in full force and effect.

SECTION THREE. If any section, subsection, sentence, clause or phrase of this Ordinance is found by a court of competent jurisdiction to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance.

SECTION FOUR. This Ordinance shall take effect immediately upon its passage and publication according to law.
